Since I cant get through,  
after 200 tries on The  
phone 1-202-638-1111  
I decided to write.

I really get tired of  
the "Conservatives" running  
down The President and Mrs.  
Clinton. They are as good  
as The best, and better than  
The rest. He is doing a  
good job. It's only The  
Pat Robertson Conservatives,  
Who should be chairable

and generous & forgiving,  
that is against him.  
They are a political  
party who are Republicans  
And so they find fault  
with anything he <sup>(President)</sup> says  
or does.

If The Republicans and Dole  
are so pure & good  
Why did Dole's wife  
divorce him? At least  
The Clintons have stayed  
together! Dole cares  
nothing for The people -  
It's just politics with  
him & we need a  
younger man leading  
us into The next Century.  
Thanks,
