Dear C-Span: W

I am watching the whitewater hearings. I enjoy your programs but not the Call in part. The same people call in on every call in program, you should know this, it is plain to your watchers. People are mean spirited, paranoid, liars and I am afraid some one will get hurt, if this keeps on. There is ^{much} hate ~~out~~ out here. C-Span lets them vent their ugly ideas on the public. I don't think this is a good thing. I had rather you would not be on the air at all if this has to happen.

Sincerely,

Thomasville, AL. 36784-2628
