

002594 MAY 17 1993 May 3, 1993

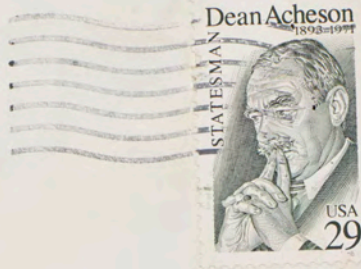

Dear Brian Lamb,

Allowing the debt to go up where it is now, was irresponsible on the part of everybody concerned and just plain stupid.

Now, the petulance surrounding Clinton, that has been going on from the day after he was elected, before he took office, shows the Mentality of a Monkey.

Man and womankind must be moving backward in the chain of evolution.

Your C-Span Watcher
