

Brian:

Thanks, to you - C-span - and your staff, for hours of informative and enjoyable watching.

The music that is played is nice, also.

Dealing with the public and being an interviewer is not all that easy. You are the Best.

The ease and smoothness of the way you handle the job, proves that you are a professional.

I like your sense of humor also, it's Great. It's a pleasure just to watch you. Well before I embarrass myself any further I had better close.

Brian, Thanks again for being you and being there.

Have a nice day,
Happiness always:

Brian:

Here's hopin'
your day
is as grand as can be
'Cause you're more than
a wee bit o' special to me!

Happy
St. Patrick's Day!
