Re: Health Care

My daughter

~~daughter~~ has been unemployed (except for 2 part time jobs
- one of which let her off a few days ago)

and just recently broke her arm. She is \$600 behind in her rent and has no health care. What is the plan for the army of unemployed and for the homeless? Do we plan anything for the poverty stricken, the homeless, the "temporarily" unemployed - the people in Southern California and Oregon?
