

Morning of July 13th

I tuned in to the  
Jeffery Rosen show this  
morning. Quite a talking  
machine and spin  
doctor. <sup>for Liberalism</sup> Also the two  
people that was on before  
were liberal spin doctors  
as well. I thought you  
are supposed to be fair.  
It was very out of  
Killer this morning you

Must admit. I  
guess you want a  
slave labor camp run  
by Clinton & the liberal  
gang.

Clinton is a "Communist,  
Statist, Hitler person with  
liberal ediology which is against  
our Wonderful loving  
God.

How about get back  
to equal oportunity for  
conservatives. I hope you  
will change your ways.  
We don't need to hear about Watergate  
and we need to hear more about  
Whitewater, Troopgate, file gate, China gate  
and etc.
