

I use to Respect C SPAN, but since NAFTA has become an issue, I have lost my respect for C SPAN. And the reason is very simple, C SPAN and it's employee's are PRO-NAFTA AND AGAINST ANYONE WHO OPPOSE'S NAFTA. And they show their PRO-NAFTA emotions on the air just like the rest of the ELITE'S who are for NAFTA, but none of them can defend NAFTA without lieing and their lie's show through. So the ELITE are angry because the people are standing up and fighting them, and the ELITE may not get NAFTA SO THEY THROW A TEMPER TANTRUAE AND CALL PEOPLE NAMES. And if you have 100 guests, then you can bet that 98 of them are rich ELITE'S WHO WANT NAFTA PASSED BECAUSE THEY WILL MAKE BUNDLE'S OF MONEY FROM NAFTA. NAFTA is a evil bill that protects Wall St. investments in Mexico. And it is not a trade agreement. And NAFTA will destroy America if itis passed.

But I guess that C SPAN and it's ELITE EMPLOYEE'S DONOT CARE ABOUT AMERICA AS LONG AS THEY GET RICH FROM IT. The people do know agour NAFTA, and over 70% of the people are against it. Your on the wrong side of this one.
