

Dear Media Official:

IT IS A SAD TIME FOR OUR COUNTRY WHEN A TRUE AMERICAN "HERO," OUR MOST DECORATED GREEN BERET COMMANDER, "BO" GRITZ, IS DENIED PRESIDENTIAL CANDIDATE MEDIA COVERAGE. James "Bo" Gritz has had little or no campaign coverage. Why? No one should block sincere, honest competition. Fair competition is the American way. If that is now past tense for us and lost for our children, we are in very serious and deep national trouble!

Please do not partake in the degradation of America by allowing stifling of the press and free speech, - which is becoming all too common. Our Founding Fathers fought to give us Freedom of Speech and Freedom of The Press, and others have died for it!

It is time for each of us, PERSONALLY, to STAND UP AND BE COUNTED - NOW - for hesitation can cost us dearly. It is urgent. WE LOOK FORWARD TO YOUR PARTICIPATION IN HELPING "BO" GET A FAIR SHAKE. The eyes of America are watching.
