Dear Brian,

I much commend you and other hosts for not being slanted and trying so hard to be fair and impartial. I listened to C-SPAN a great deal during IRAN-CONTRA/Alvin North & then again as much as possible since 5 weeks before Nov. 3, election & plan to keep on keepin' on! for love of country & most of all for love of my grandchildren.

I taped part of "Homosexuals in America" - TASK force last Wed (4-21) - parade tomorrow. How desperately homosexuals want to be accepted as an alternative lifestyle - mainstream without condemnation.

My quarrel with the networks & C-SPAN promoting the lifestyle - is that is illegal in about ^{half} the states - it is as offensive as giving the same amount of time to prostitutes or even child molesters - that there are 10% of them & they want to be accepted as mainstream. I don't have access to national press - but it is offensive in local newspapers.

Are homosexuals above the law - that it does not matter if they break the law? This week Mr. Buttafuoco - of the Amy Fisher "fame" - was arrested, one of the charges sodomy - I realize adultery may also be on the books - & not enforced - but it still not make it acceptable - and hopefully never mainstream & promoted by the media - but of course it is -

(over)

I understand a survey done by two homosexuals authors stated that 75% of homosexuals had sex at some time with boys 16 to 19 or younger (Joy & Young, "The Gay Report" 1979). And that is child abuse.

This week's survey said only 1.1% exclusively homosexual - not 10%. The Parade Magazine, 11-22-92, said Census Bureau reported only 2% live together & only 5% of those 2% have children.

It is ironic that homosexuals are alive - only a mother and father can create a baby, not 2 fathers or 2 mothers. And a second mother or father in the home does not give the child both a mother & father role model - They must go outside the home as a single parent. Not good at all.

Most of us just celebrated the resurrection of one who changed the course of history. George Washington, the father of our country, said it is impossible to govern the world without God & the Bible. Jesus - the Master Teacher, taught his own creation, Luke 10:6-8. He listed fornication, which includes homosexuality, with murder, Matt. 18:19. Moses law harsh - Lev. 18:22-30; 20:13. Sodom & Gomorrah no laughing matter, Genesis 19, and listed throughout the Bible (Judg 7 & Gen. 19:5 with Gen 4:1 clarify reason of God's wrath). Apostle Paul graphically describes the great ugliness & the great hope, Rom 1:18-32 AND Gal. 5:19-21 (Pres. Clinton's favorite book in the Bible).

The media promoting homosexuality is as bad as promoting prostitution & adultery - even child abuse

Sincerely, [REDACTED]
