

AUG 30 REC'D 8-26-90

2823-90

Would you please have
an open line forum on
the Lack of News Coverage
in Israel + Palestine?

The viewers would appreciate
knowing why Israel has

Closed Doors - does that apply
to all people - no one can
get into Israel - No reporters
can get into Israel?

Under circumstances that are not
prevalent at this time? At anytime
can News people get into Israel?

What is the consequence? Thank You

San Diego, CA 92122
