Dear Mr Lamb -

Love your show & especially the one today with your interview of Rick Irvine from "accuracy in media". A caller wondered why local papers never give all the true facts. I would like the address of Rick Irvine's newsletter. Also I wonder if you are familiar with a wonderfully patriotic & informative weekly paper "The Spotlight" published by Liberty Lobby. By the way, The L.A. Times never lists your program in the TV guide. I just happen to catch it. I wonder why they don't publicize it!! Sincerely
