Dear C-Span Friend:

It was wonderful to see Hillary Clinton at the Senior Citizens Center in Portland, MAINEn with the brilliance of her intellect and the compassion of her heart on clear display for your viewing audience.

What a sharp contrast it provided to the many conservatives I see on C-Span with their unrelenting and venomous attacks on the characters of those who disagree with them and their unremitting efforts to fan the flames of hatred and division within our country.

I sincerely hope that the conservative viewers of C-Span can learn from Sen. Mitchell and Mrs.

Clinton.

Yours in Peace,
