Dear Mr. Lamb:

C-Span provides an outstanding service to its viewers.

You & your Program, in particular warrant our congratulations.

In an objective effort to even enhance an already exceptional Program please accept for consideration a few thoughts;

1. Whenever possible please try & have your guests answer all of your Call-in questions. Frequently many multiple questions are either ignored or passed over.
2. I find frequently many questions don't receive either the depth or thoroughness they warrant.
3. You might try & have a broadcast section of panelists particularly outside the Belt-Way crowd, who give the impression that President Bush walks on water. The recent droughts have exposed the top of the rocks.

Finally understanding the national
 debt & the Annual Budget Deficit
 are upsetting me something fierce.
 I'm trying to get a handle on
 it's cause & who is responsible.
 It would help me a great deal
 in deciding what candidate to
 vote for if you provide me with
 the following information.

A listing of the Annual Budget
 submitted to Congress by the President
 each year starting 1981 & ending with the
 1993 Budget.

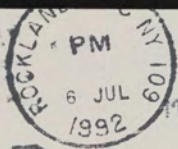

Also if possible what was the
 actual Budget agreed to & signed
 into law for those same years.

Again let me thank you for your
 fine work as a moderator of a first
 rate program.

We need that kind of help to
 turn this Country of our around.

SEP 10 1990

Gratefully Yours

WLDCK
