Dear Mr. Lamb,

I am writing to tell you how much I am enjoying your "Booknotes" program. We get it here on WEDU Tampa PBS station on Sunday evening at 8PM. You are programmed into my VCR - that makes you pretty important! I like your questions you ask - those are some I would ask. I especially like to know about the background, parents, education and families of the authors. There are some Sun. nights that I hole for the hour to end i.e.: Charles Kuralt.

I had already bought his book anyway and I have purchased a copy of Mr. Donalds' book on Lincoln. So I'm doing my part!!

Thanks for all the enjoyment.
