Dear Mr Lamb, we want to thank you for your interest and participation with "Close-up". The programs keep people informed and involved with students, teachers and older Americans across the nation. My wife + I can speak from experience, having been on your program on Health Care with "Close-up" on Oct 2. The moderator was Ann Nicholas from Close-up.

We received a copy of the program and will be showing the C-span production to our many friends. It may inspire them to go to Washington on the "Close-up" program.

Sincerely
