Dear Mr. LAMB:

You seem to be a fair minded person. Therefore
Doesn't it upset you that your "Journalists
Roundtable" programs on Monday + Friday
has become the home of the most
extreme right wing zealots. The intensity
of their opinions + their vitriolic nature
is almost unbearable. Even Rush Limbaugh
doesn't get such extreme phone calls.
Can't you do a better job of screening—
after all I tried to call but can never
get through. I can't believe those
phone calls are representative of the
C-SPAN viewers. By now I am used to the
hate leveled at Bill Clinton but the
venom directed at Mrs. Kennedy the
day after her death was just
shocking. Something has to be done to
correct this situation.
