Thank you so much for covering the
gay + lesbian + bi march on Washington,
4/25/93. For those of us who
couldn't go, your coverage was
superb. Hourly previews on the day
before + before the march on
Sunday; news shows - mixner's speech
at the national Press Club - all
terrific. While I sometimes think
it isn't necessary to always give
an opposing point of view (that may
have been CNN news matter Sunday), I liked the
coverage.
Anyway, the folks at my little
TV-march on Washington party give you
tremendous credit for covering the
march as extensively, as non-judgementally
as you did. THANKS Again!
