

To C- Span - you have
the best program on the air.
It's hard to get a phone call
thru. I'd like to mention
a couple of things:
1. One viewer called & said he'd
heard that a Russian ship
loaded with war materiel
was stopped on the high
seas by American ships -
No one else heard that - but
I certainly did - which
means that Russia is
having a forked tongue -
so let's stop sending
food to Russia!

2. Two men (one de Borch-
grave, the other an aide to
Saddam who escaped, said
Saddam put someone (or
some people) in an acid
bath and enjoyed
watching & listening to
the screams -
That a human being
can do such an

act of savage cruelty -
I wish I could start
a group of people con-
tributing to a fund +
when it reaches 1 million
dollars (and it would not
take long) give it to
a small group - maybe
3 or 4, & set them out to
kill the bastard -
