Dear Mr. Lamb,

I am a regular C-Span viewer
& I just had to drop you a line
thanking you for the hard work you
do to achieve a balance on your
network. It drives me almost to a hair-
tearing frenzy when I hear this
repeated whining about your lack of
balance. I thank God for C-Span &
the diversity of opinions that I get
to hear, mull over and accept or
reject. I believe you provide a much
needed service for our country. As my
husband puts it - our family has
given five generations to defending this
country so that we can all feel free
to have differing opinions.

Thank you again for C-Span.
