Good interview with
poor old fashioned
white male god NERD

Tenured
Radical

You showed
him up good —
like putting on

that radio Rushmore? D.J.

Real T.V. is so revealing*

(i.e. Barry — Just Putting on People Chase)

* (except of
Brian's
personal
life.)

But why don't
you get a
string of the

opposite side to
argue against the
string of same old stuffs
you always get? ??
why?

What if
someone said
they don't
read! as he doesn't watch T.V.

HASN'T WATCHED TV for 10 years + kind of 10

I never can get in now
that you've changed so
we can't call early. Oh
well it was costing me too
much time & \$: LEISURE SPAN

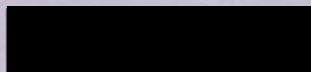

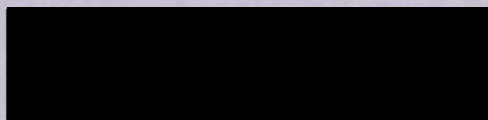

So Brian you must
carry my torch

1. \$PLITERACY is dead
LOOTERACY

2. "God" is a woman ^{Having} ^{Bleeding} ^{Malle} ^{was a DISASTER} ^{God}

3. men should be able to love each other
not KILL " "

DO NOT
PUBLISH
ANY PART
OF THIS.
