Dear Brian,

Today I learned that Faisal Hussein spoke at the National Press Club July 3, 1991. You may know he is the primary Palestinian leader who lives in East Jerusalem.

As an avid C-SPAN viewer I'm quite sure it was not covered.

I feel tremendously let down by this and would appreciate knowing why it was not covered.

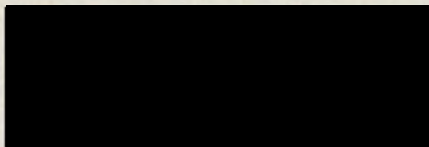

You are aware, I assume, that official Palestinian spokespersons get about one-twentieth the air time as official Israeli spokespersons in our mainstream media.

Perhaps your extensive coverage of the American Assembly was a factor. not

Please make sure this opportunity was ~~not~~ ^{missed} due to an "attitude problem" or "ignorance" of the implications.

As one who follows closely the Israeli-Palestinian issue I realize the magnitude of this decision at C-SPAN. Please look into the matter for me.

Sincerely,
