C-Span — cc: S. Trahern 12-9-91

Please - we do not need this —

Mona Charen is her name
and she is absurdly
non-representative of women
and certainly she is not
qualified to speak for the
average American man or woman!
Mona Charen is a plastic version
of mediocrity we have suffered
under her brand of opinion.
C-Span, please give us diversity —
you are pandering to the "Duke"
syndrome!
