Dear Mr. Lamb,

I must tell you what a treat it was to see your fine program with Jeanne Kirkpatrick, Howard Baker, and Pierre Salinger this morning.

Your questions were insightful and also brought us the human beings behind the famous personages. These are the people who have made history. And it is wonderful to see how people open up when they're not being attacked and bullied as they are on so many talk shows. They were honest and open with each other and with us, through you.

I hope that you will be able to line up more shows with this format. The interchange between people is more interesting than a solo guest. Thank G-d for something intelligent to watch, at last!

Sincerely,
