Dear Sir:

On November 25, 1993, Thanksgiving Day, you aired a profile of Congress Kweisi Mfume, who represents Baltimore, Maryland. The program was very interesting to me because it focused Representative Mfume's personal history and the many problems he experienced in his youth and later overcame. I work with minority youth whom I feel would be inspired by seeing that profile.

Is it possible for me to get a copy of that taped program? Any help you can give me will be greatly appreciated.
