Dear Friends,

In view of my comments when responding to Thy Survey I am putting My Money(etc)with the enclosed check of \$28.00 for Update. With The Folks On The Hill about to exit for The Calendar Year and reappear after Epiphany(presumptive of me, but I are not A Wise Man) this seems an Advent-ageous moment to Subscribe!

IN RE: OCTOBER SURPRISE

My Cable Supplier does NOT offer **C-SPAN TWO!** While I have a distorted view of Hill Proceedings due to this lack, I must draw my conclusions from Gates, Thomas and, now, SICK as to what I might see were **TWO** on my cable. Admittedly Prime Time Hearings and the Theater each offers are not Usual and Ordinary to Senate Business. Still, it is all I **HAVE**.

Mr. Helms great effort to be Ballet Master, and Mr. Kerry's explosive commentary, made me wonder if C-SPAN **TWO** would be worth my time. As The Ballets choreographed by Messrs Biden and Boren lead us good voters to believe, Senate vs. Sick is but one more effort by Various Players on the Senate Stage to garner(free TV Time)Vote Getting Notice from the Good Ole Boys back home.

Their Childish Attitude did nothing for me(except cause nausea)reminding me of Mr. Metzenbaum in both other matters, and Mr Prosecutor, and Mr. Southron Inquisitor, and those pots on The Right calling the kettles on The Left, shades of black/gray &/or puce.

In This Matter(currently)of SICK vs. Senate. Said Mr. Sick, though verbose, said nothing of meaning. Hemmed, Hawed, UMM-MMMED and HUMMED then sought Closed Door Sanctuary for what (I thought)was Published Data. The inference from his Gentle Questioner lead me to this conclusion.

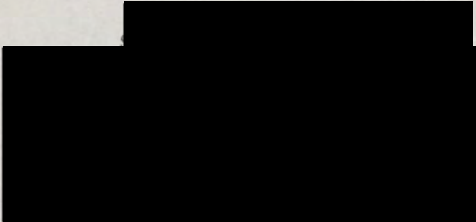

MY(PERSONAL)OPINION: SICK vs. Bush, et al, is a waste of Tax Payer Money. Even retired, on Social Security and a small Trust I ARE A TxPyr. Offering the likes of Messrs Helms & Kerry(notice I keep them in Alpha Order)more FREE TV TIME to

Collect Constituents Votes. QUALITY TV IT AINT!

I am not in either Bad Actor's State. Probably just as well. There are quite enough Characters on A California Ballot to vote **AGAINST**, without adding two more!

I ENCLOSE a copy of mine of 100391. I **APOLOGIZE** for not including an SASE and do so herewith. The Only Alternative, to me is to call 202-555-1212 to reach your Directory Assistance, from there call MS Schroeder's Office to get the mailing address. A 29¢ Stamp is cheaper than the 8 - 10 Buck Charge the AT&T Route might entail.

Dear, Trusted Friends,

✓ One of you, at your leisure, do drop me at note with MS Pat Schroder's DC Office address. Correcting me as to the spelling of her name. Feel (certain)I blew it in this ¶!

Aint one of her constituents. Do want to write a FAN letter. The Lady has earned it. She and My(LADY)Personel Attorney are cut from the same bolt of cloth. 'Bout the only one(On The Hill)who knows how **articulate** is defined and uses it that way.

Had Geraldine Ferraro known as much she might have carried the ticket!

Unfortunately we must listen to all the SCAM from all those choosing to RUN in 92. None of them have looked up ARTICULATE. All of 'em(Uncle George B included)choose to anfractuate all us Good L'il Voters, but I'll give You Ladies edges on odds 25 to 1 none of 'em heard the word(**anfractuous**). Had they it would have been one more BUZZ word on the floor of both houses!

At Your Leisure, Ladies,does not translate:ROUNDTUIT!

Cordially,
