Dear Mr. Lamb:

My very first "fan" letter --
but I cannot any longer resist
telling you of the gratitude of
my husband and myself to your
splendid creation of the C-Span
format. We have become addicted
to your station and its informational
and unbiased presenting of the programs
to educate us and involve us in
what is happening.

Carry on --- we send
you our best wishes for continuing
success. Sincerely, [REDACTED]
