

Sept 20-1999

Dear Mr. Lamb -

Because your T.V. presence is so widespread, I am asking you to spearhead a movement to improve & correct the speech patterns of thousands of people including you. This pattern is the constant use of the word "gotta". So - day even you said "We have time for one more call & then we've "gotta" go. Even our so-called "brilliant President" uses "gotta" -

From "gotta" we go to "wanna" and "shoulda".

Please give this some consideration.

Thank you,

Sincerely,
