

O-Farrakhan

Can you give me any
logical reason why you
allowed that Racist,
insane son-of-a-bitch
Farrakhan to rant &
rave on for hours & hours.

He is a hate monger
who despises white, jews
or any other body of people.

I hope someone shoots
the bastard and if
this is what you as a
television station

think is informative,
educational or useful,
then I suggest you
check out your personal
in charge of programming
because they are probably
in cahoots with this
Parasites.

He is scum and
obviously a mental
case.

You are way out of
line on this one.
