

Am ready to answer the Social ^{Comm}
Revolution question - To listen to
only --- Round table trained speakers
one put one woman --- ^{there} minus opposite
every male Congressional leader? any women's
group get busy. Then ^{switch} only females --- minus
of course - Health care - one paper so "baby's have
as much protection as have Doctors - The one
papers for full child care - Cut back senior-guard
called 5 Security - Give Health care back to City
it back
ill cut "d

May want to add more
to this writing + clarify
I'm old enough + as good
as you'll get in a
Socialist? Communist?
You asked why not
