

March 19, 1992

Why is there no television coverage of the Libertarian Party on C-SPAN? It is the third most popular, fastest growing party and growing stronger every day. Is there a media blackout to protect Democrats and Republicans? Please let us see and hear ANDRE MARROU and NANCY LORD on C-SPAN. Give the Libertarians a fair opportunity...they have new and better ideas and programs.

Thank you, A Constant Viewer,
