My Dear Mr Lamb:- Remember ME?
You will ,I will NEVER quit as
long as there is a single solitary
vet being held in cages by the
Communists anywhere. You consider
yourself a human being and an
American citizen??? I'd like to
put every single illuminati
supporter in one of those cages
for an hour. You'd all sing a
different tune. I ask again and
I will continue to ask that you
invite Lt. Col. James "Bo" Gritz
to be a guest on your call in
program, or, but preferably AND
John LeBoutillier. They are BOTH
extremely knowledgeable about the
POW's. "Bo" also knows a very great
deal about the drugs problem.
The American people have a right
to know what the government is up
to behind our backs and with our
taxes. You consider yourself un-
biased? You will have to prove it
to me. When you started out you
had the MOST Unbiased program of
it's nature. Now you are but a
puppet. [redacted]
