Mr. Brian Lamb
C-SPAN
400 N. Capitol St., N.W.
Washington, D.C. 20001

Dear Mr. Lamb:

First, you have received so many calls over the years concerning the CFR, none of which have ever been responded to satisfactorily by your guests, that I decided to look into this myself. All I have been able to come up with is an outdated chart, enclosed, which is intriguing, to say the least. While I can see no evidence of a conspiracy, an amateurist charge, I believe, nevertheless it is extraordinary that all of our major Cabinet and Agency posts have been under the exclusive control of these people, to the exclusion of all others. This surely looks like a good-old-boys club, shuttling members back and forth between government, business and academia, whose interests would naturally best be served by highly centralized governments.

In view of the expressed interest of your viewers, you should have someone on who has dug into this business and is not afraid to discuss this remarkable affinity of talent.

Second, because of the Noriega situation, you ought to re-air, if at all possible, the startling testimony of Ramon Rodriguez given before the Subcommittee On Terrorism, Narcotics, etc. of the Committee On Foreign Relations on Feb. 11, and April 6, 1988, chaired by Senator Kerry. It's pure dynamite. For example, why was potentially highly informative testimony deferred to executive session - and more than once? What then happened?

Sincerely yours, /

"...it is absolutely vital that we take control of the United States government away from the Trilateral Commission and the Council on Foreign Relations." Pat Robertson, Christian Broadcast Network. U.S. News & World Report, Sept. 24, 1979.

"Membership on this Commission has provided me with a splendid learning opportunity, and many of the members have helped me in my study of foreign affairs." Jimmy Carter.

"An illegal, semi-secret political party...has won control over the Executive Branch." Lawrence T. Patterson, speaking on the Trilateral Commission as reported in the Honolulu Star Bulletin, April 14, 1978.

It is not meant to imply that the One-World views of the CFR & TC are necessarily shared by all members.

(Is It Because Most Media Serve As The Rockefeller Political Propaganda Arm? Perhaps They Don't Want You To Know About The CFR-Trilateral Takeover of YOUR Government!)

CFR Control Of The Larger Publishing Houses And The Mass Communications Media Has Produced Two Generations Of Americans almost Totally Ignorant Of How Their Government Is Controlled!

"...CFR members do indeed 'manage' mass communications media, especially the influential segments. They control or own major newspapers, magazines, radio and TV networks, and they control the most powerful companies in the book publishing business." QUOTATIONS FROM THE ANNUAL REPORTS OF THE COUNCIL ON FOREIGN RELATIONS!

(Comments are in parentheses)

Note: A diligent search of CFR literature reveals little evidence of pro-defense or pro-free enterprise thinking.

BRAIN WASHING

"The potential of the electronic media remains largely untapped..." (p. 16/78-'79 Annual Report) "...a grant from the CBS Foundation, enables an American foreign correspondent to broaden his perspective by means of a program of reading, discussion and writing while based at the Harold Pratt House." (p. 51/77-'78) "...The Council remains intent on exploring other opportunities to contribute to public understanding of foreign policy problems through radio broadcast and other electronic media." (p. 72/78-'79) (The Harold Pratt House is C.F.R. headquarters in New York City)

SECRECY — INFORM THE PUBLIC AND LOSE MEMBERSHIP

"Participants in the Council meetings should not pass along an attributed statement in circumstances where there is a substantial risk that it will promptly be widely circulated or published." (p. 107/77-'78) "...any disclosure, publication or other action by a member in contravention thereof may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership..." (p. 106/-'78-'79)

CONTROL OF CONGRESS...IS CFR WELL EQUIPPED?

"Many considered the Congress ill-equipped to conduct foreign policy..." (p. 11/77-'78) "Congress in Foreign Policy: Who Needs It?" (Foreign Affairs, Fall, 1978) "...the American Congress now plays a critical role, and to this we hope to devote increased attention in the future." (p. 17/77-'78)

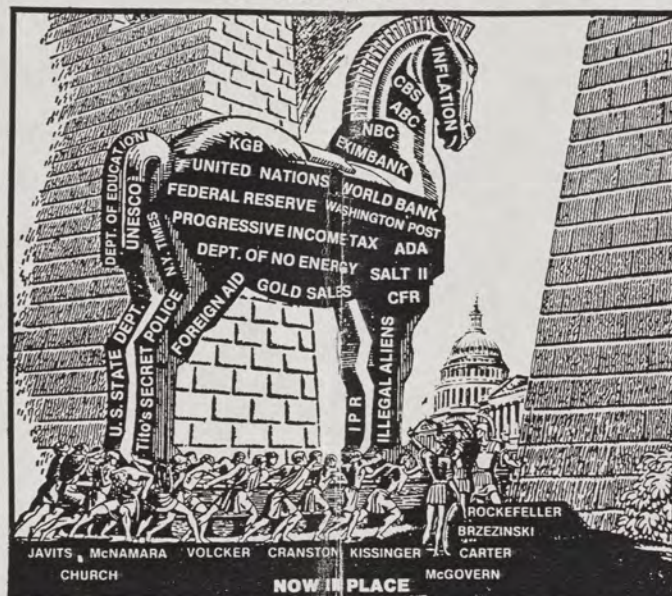

"The Council has no affiliation with the United States government." (p. 6) (What is NOT said is "CFR members hold almost every high position in the Government.")

MORAL FOREIGN POLICY? WHERE AND WHEN?

"There were some major steps forward in foreign policy." (p. 11/78-'79) "The Administration's emphasis on human rights was welcomed by many as giving a more moral content to our foreign policy, rallying support at home and burnishing America's image abroad." (p. 11/77-'78)

ACHIEVEMENTS?

The positive moves with China were seen as part of a general shoring up of our posture in Asia." "The members of the Council are persons of more than average influence in the community. They have used the prestige that their wealth, their social position, and their education have given them to lead their country toward bankruptcy and military debacle. They should look at their hands. There is blood on them — the dried blood of the last war and the fresh blood of the present one (the Korean War)." Chicago Tribune's editorial of Dec. 9, 1950.

"This massive infiltration of government from the top down by an alien philosophy is typified by the National Security Council whose...members have a statutory function to advise the President..." Antony Sutton, Ph.D.

THE COMMUNIST MANIFESTO — KARL MARX

Marx, one of history's most evil men, was a master of muddled thinking. He was hired to write the *Manifesto*, one of the most repugnant documents ever produced. Let us examine some of the writings of this warped monster whom Carter's advisor, Brzezinski, so enthusiastically endorses.

★ "Abolition of the Family!... The bourgeois claptrap about the family and education, about the hallowed co-relation of parent and child becomes all the more disgusting."

"The truth has made us free and only the truth can keep us free."
"The liberal, humanist, materialistic and socialistic influence will largely determine the direction of our nation. The Trilateral Commission may very well be the most adverse influence upon America's well-being."

James Robison, Evangelist, Ft. Worth, Texas

"... our national purpose should be to abolish our nationality." Kingman Brewster (CFR), President, Yale University. (50th. anniversary issue. FOREIGN AFFAIRS, a CFR quarterly.)

"The fiction of sovereignty... is clearly no longer compatible with reality." Zbigniew Brzezinski (CFR T), BETWEEN TWO AGES (p. 274) (see below)*

"The traditional American concept of national sovereignty is obsolete..." John Cowles (CFR), Pub. Minneapolis Star & Tribune, U.S.I. dispatch, June 7, 1959.

"It proposes that we create a limited world government and deposit our sovereignty there..." Senator Alan Cranston (CFR T), referring to (World Government) Prop. 64.

"... the U.S. program calls for total elimination of national capacity to make international war" Adlai Stevenson (CFR) addressing UN General Assembly on Nov. 15, 1961.

"It is in the American interest to put an end to nationhood." THE U.S. IN THE WORLD ARENA, Walt Rostow (CFR), advisor to LBJ.

"In the entire CFR lexicon, there is no term of revulsion carrying a meaning so deep as 'America First.'" Rear Admiral Chester Ward, USN (Ret.)

"... The Trilateral Commission has taken over the United States executive branch." Antony Sutton, Ph.D., TRILATERALS OVER WASHINGTON.

THE TRILATERAL COMMISSION

345 E. 46th St., New York, NY 10017
(David Rockefeller, Chairman) (212) 661-1180
Established: 1973

"Whereas the Council on Foreign Relations is distinctly national in membership, the Trilateral Commission is international... It is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States." (p. 280) WITH NO APOLOGIES, Senator Barry Goldwater, William Morrow Co., N.Y., N.Y., Publishers.

"...What the Trilaterals truly intend is the creation of a world-wide economic power superior to the political governments of the nation-states involved... As managers and creators of the system THEY WILL RULE THE FUTURE." (p. 285)

"We have arrived at our present position of peril in the world and at home because OUR LEADERS HAVE REFUSED TO TELL US THE TRUTH... unless we, who profess to believe in freedom, wake up, THE WORLD IS HEADED FOR A PERIOD OF SLAVERY." (p. 299)

"If the American people do not penetrate the fog of propaganda... THE DAYS OF THE REPUBLIC ARE NUMBERED." (p. 277)

"Trilateralism is international economic regionalism dealing with interdependence, and not a final goal. It is a precursor to the one-world government being planned for humanity by the international cartels vain enough to think they are destined to rule over a slave humanity, despite the wishes and rights of mankind." Sam Birdsong, AMERICAN SUNBEAM Staff, Duverus Pub. Co., Seligman, MO 65745

"Brzezinski and Rockefeller invited Carter to be a member of the Trilateral Commission in 1973. They immediately commenced grooming him for the presidency." "... In a speech in October, 1973 he (Brzezinski) said, 'The Democratic candidate will have to emphasize work, family, religion, and increasingly, patriotism, if he has any desire to be elected.'" (p. 287) WITH NO APOLOGIES, Sen. Barry Goldwater.

(emphasis added)

"...the biggest crisis of all is that of the American way of life. Americans never counted on such powerful and influential groups working against the Constitution and freedom..." Antony Sutton, Ph.D.

The key to understanding world events is to look at the world in terms of a Marxist Ruling-Class Alliance.
Then seemingly inconsistent actions and events make sense:

- ★ The elite subsidizes Marxist regimes: they are not enemies.
- ★ The elite abandons free enterprise allies: it wants socialism.
- ★ The elite presses for more individual taxation, that is, the Marxist "graduated income tax."

★ Communism abhors eternal truths, all religion, all morality...it therefore acts in contradiction to all past historical experience."

★ The abolition of individuality, freedom, is undoubtedly aimed at. By freedom is meant free trade, free selling and buying.

★ "In one word, you reproach us with intending to do away with your property. Precisely so; that is just what we intend to do...The middle-class owner of property. This person must, indeed, be swept out of the way, and made impossible."

★ "A heavy progressive or graduated income tax... Abolition of all right of inheritance... Centralization of credit in the hands of the State by means of national bank with State capital and an exclusive monopoly... Centralization of means of communications and transport in the hands of the State..."

This evil document has been the guide for many powerful people in America and many of its recommendations have already been followed.

It is interesting to reread Karl Marx's Manifesto in the light of the alliance between Wall Street Multinationals (Trilateral Connected) and the Communist imperialists. Marxists, especially, should reread Marx, Antony Sutton, Ph.D. and Patrick Wood.

CFR MEMBERS

Have you carefully investigated the policies of the "inner circle"? Has the U.S.A. become STRONGER and the free world MORE FREE under their "leadership"? Are you serving your country or the international bankers?

T.V., RADIO & NEWSPAPER REPORTERS

Have you heard Cronkite or his peers say the CFR has controlled our government for over 40 years? Does your search for TRUTH stop at the teletype? Do you depend upon the N. Y. Times, Washington Post, U.P.I. & A.P. for the TRUTH? What else have you read?

FARMERS & SPORTSMEN

Do you think your problems are accidental? Do you understand why they are trying so hard to subvert our constitution and take your guns? The "just & peaceful world order" Bergland and his bosses work toward, may not have a place for free, independent farmers and gun owners. Remember the first Communist cell in America was formed in the Agriculture Dept.

MOTHERS & FATHERS

Did your sons bleed & die in two CFR NO-WIN wars? Are some still prisoners or hostages due to CFR planning or bungling? The Elist/Marxist alliance will remove your freedoms also unless you wake up and stop them. Forget the establishment TV, Radio & Newspapers (the propaganda arm of the CFR). You MUST search elsewhere for the TRUTH!

RETIRED PEOPLE & SENIOR CITIZENS

Who is responsible for the destruction of your retirement income? It is NOT oil companies or other businesses. The CFR controlled GOVERNMENT alone creates both INFLATION AND FUEL SHORTAGES!

"Through Communism we will rule the world, and all will be our slaves." Karl Marx.

"I think the Communist conspiracy is merely a branch of a much bigger conspiracy...I would certainly like to find out who is really running things." Dr. Bella Dodd, former member of the National Committee of the U. S. Communist Party. THE NAKED CAPITALIST, W. Cleon Skousen, The Reviewer, 2197 Berkeley St., Salt Lake City, UT 84109.

"An aroused America, an informed America, can overcome the perils of the present moment and rescue freedom for our nation and for the world... If the republic is to survive, we must find and follow new leaders. We will have that opportunity in 1980." (p. 301) WITH NO APOLOGIES, Sen. Barry Goldwater.

reason over belief" Brzezinski writes of?

"...Marxist theory (is) this century's most influential system of thought..." (p. 123) (Comment: Remember, Carter is the student and Brzezinski is the teacher.)

"America is undergoing a new revolution... (that)...unmasks its obsolescence." (p. 198) (Comment: Could Brzezinski have convinced Carter that America is obsolete?)

"Deliberate management of the American future will become widespread, with the planner eventually displacing the lawyer as the key social legislator and manipulator." (p. 260) (Comment: Lawyers, how you know your future!)

"...by the year 2000, it will be accepted that Robespierre and Lenin were mild reformers." (p. 152) (Comment: A government composed of patriotic Americans could prevent this prediction from coming true.)

The Rockefeller agent who wrote the above words commenced training Carter in 1973.

What Are Some Of The Practical Lessons We Can Learn From This Alliance?

- ★ If you are a small- or medium-sized businessman or banker, a professional, or part of the "middle class", you are targeted for elimination.
- ★ If you are actively working for a multinational (among those cited in this book), you may as well work in the Kremlin: you are assisting in the destruction of free enterprise and the free world.
- ★ If you are a socialist, you are deluding yourself. You are working hand in hand with the totalitarians you proclaim to despise.
- ★ If you, as an individual, are interested in the tax reform, the only acceptable tax reform is complete repeal of the Sixteenth Amendment. TRILATERALS OVER WASHINGTON, Antony Sutton, Ph.D., & Patrick Wood, The August Corporation, Box 582, Scottsdale, AZ 85252. (Dr. Sutton was a research fellow at the Hoover Institute for War, Revolution and Peace at Stanford University.)

"...the Trilateral Commission has taken over the United States executive branch. We have not been taken over by communists or Russians or Martians but by a group which wants to "revise" the Constitution...but is without majority financial and economic ties to the United States." Antony Sutton, Ph.D.

VETERANS, ADMIRALS & GENERALS

You fought hard, many bled & died, for WHAT? Were you allowed to serve the greatest country in the world, or forced to serve the international bankers' conspiracies? Has the CFR disarmed your country so it can be "comfortably merged" with our sworn enemies?

TEACHERS & STUDENTS

If we remain FREE, our young must be informed. Do you seek TRUTH from other than establishment sources? Why haven't you been told the truth about the CFR? What does the Elist/Marxist alliance plan for your life?

BUSINESSMEN, INDEPENDENT OIL MEN

Throughout history businessmen have never awakened in time to save their country. Are your problems more accidental than those of the farmers & working men? Do you understand who is trying to break you and why? Is monopoly their game? Old John D. Rockefeller said "Competition is a sin!" Wake up and ACT!

TRUCKERS, WORKING MEN & WOMEN

Are your leaders looking out for you? Or, have they joined the Elist/Marxist alliance in working to establish a ONE-WORLD Socialist order over which they will rule? Are the fuel prices you pay accidental? You must READ to learn the TRUTH!

ALL AMERICANS

Think about this possibility. Would the "inner circle" of the CFR and Trilateral Commission plot a war to get their puppet president re-elected? Would they create monetary and energy crises as an excuse to exercise additional controls?

"We shall have world government, whether or not we like it...by conquest or consent." James Warburg, testifying on the Senate Foreign Relations Committee on February 17, 1950.

"...the Carter Administration is not at all concerned with black rights or human rights, it is concerned only in helping yet another Marxist government into power...It may take a while yet, but sooner or later this simple tragic fact is going to penetrate the minds of independent Americans and independent governments overseas." TRILATERALS OVER WASHINGTON, Antony Sutton, Ph.D. & Patrick Wood.

"The saddest epitaph which can be carved in memory of a vanished liberty is that it was lost because its possessors failed to stretch forth a saving hand while yet there was time." Supreme Court Justice George Sutherland, 1937.

"Shall we acquire the means of effectual resistance by lying supinely on our backs and hugging the illusive phantom of hope, until our enemies shall have bound us hand and foot?" Patrick Henry, March 1775.
