Dear Sir / Madam,

On a couple of occasions, I've been able to watch the DIAK in session in Dublin, Ireland. Believe this appeared on C-SPAN on Tues. afternoons; however, I haven't been able to find it for the past 6 or so weeks. When is it being aired or has it been dropped until after the Presidential Election - 92? I've enclosed a stamped envelope in the hope of getting a reply. Thank you -

Sincerely,
