

Aug 9 / SAT

what is this? SAT a.m. now  
"blk hom" or Li Berul hom? Green -  
a blk moderator; guest, Edelmann -  
another BLK liberal - Harris, blk O.W.  
professor + now a disc. about Wash DC R  
Statehd. Haven't heard this segmt  
yet, BUT Hopp, a "diversity" →

of opinions is given!! I'm beginning to  
lose faith in "objectivity" of C-Span!!  
especially when your moderates open news-  
paper section by reading column or edit of  
their choice, thus setting tone + theme of  
program! (esp. re N. Gingrich - !! Boy, do you  
guys pinpoint any + every bit of news re Newt!) -  
too BAD - country needs unbiased news ✓  
cut out excessive Li B. mags, e.g. Newswk, Time, etc.  
I'm watching less + less of C-Span -

Windsor Locks, Ct

PS. Having listened to  
disc. re Stated + Wash DC -  
NO - NO "Diversity" g  
opinion - Strauss, a shadow  
Sen. who would like to be a  
Senatas - + Williams, and →

guy who's trying to help city,  
but "regionalism"!! another  
copout - NO to 2 more Blk  
(ie Lib) Senators - who will  
pick my pocket - NO -  
+ NO to C-Span for utterly  
Base programming all morning  
Long ✓
