

I watch C-Span because

I think I enjoy watching C-Span more than -well if not more than - then
equally as much as anyone.

I live alone in a very quiet little cottage in Princeville on the
beautiful Island of Kauai in Hawaii.

If it was'nt for my cable TV I would'nt know there was a world
out there.

I didn't know there was a C-Span until our cable offered it the first
of this month (March).

I particularly enjoyed your coverage of the Florida primaries
and am now enjoying the coverage in Chicago.

I am a call-in junkie. I hav'nt called in yet but have some good answers
for the people who do.

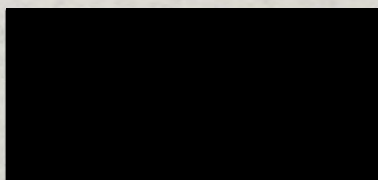

You give us a true picture of the Congressmen and Senators.

Are those really horns coming out of Senator Casselboim's forehead?

I do enjoy your channel. It's almost too good to be true.

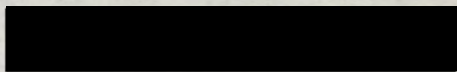

With C-Span and my new golf cart I truly live in Paradise.

Thank you, thank you.
