

December 5, 1990

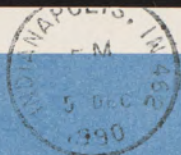

Gentlemen -

I am a Republican -
Never voted in over sixty
years; other than Republican
I did not vote November 1990

It was something, I decided
I could not do, because
Bush has (2) two sons
involved in the Silverado
Savings and Loan affair -
It is a mystery, to many,
why he dragged into
War in the Far East. To
many it is getting his mind
off Neil Bush and the Saudi
affair.

I now understand Neil
and his Brother ~~are~~
involved in a Business
in Saudi Arabia - It
is all a Mystery - but
C-span has divulged
these mysteries but there
not followed up on these matters

Senator Dick Lugar is from
Indiana - I knew him!
