Brian:

Since your phone was
heavy all day, I am
writing you for 3 Pres-
idential History Charts.
One for the 3 high schools
in my area.

I'm a 78 yr. old retired
military C-Span junky
who has been listening
to you for 20 years

SUPPORTER

(over)

Brian, your introduction
of the C-Apan program
is the greatest asset to
the educational process.

It beats out the inven-
tion of the wheel, the ball
point pen, the copier,
the computer, the fax mach-
ine and sliced bread.

Brian, you're a true blue
dedicated educator and
American. I've tried to
call in several times, but
couldn't get in. Thank

Brian Lamb
