

Paul Orgel should be re-  
placed. He conveniently  
changed the subject when  
an 80 yr. old lady questioned  
& criticized Israel to quest  
Kevin Whitelaw of U.S. News  
& World report. Is Mr. Orgel  
a Jew? I asked that he be  
given something else to do  
if he is for this isn't the 1st  
time he has done this with  
regards to Jews & Israel.  
You have only to review the  
Tape with Mr. Whitelaw as  
quest last week. A C-SPAN
