

C Span,

Dec 10, 93

Saw that Anita Nielson
C Span with all her drivel.
Told her to get the Elmer
Roosevelt award is typical.
In my opinion she is a
damn liar, a foul mouth,
slooze bag. She is putrid
as hell. The whole Clarence
Thomas idea was a put
up job by old Senator
Howard Metzenbaum. It
was all scripted under the
rug as these Democrats
are so good at doing.
For the liberals to make
a damn out of this
woman is an outrage.
To rep half this woman
and her lies is typical
of liberals in cluding
the Co Prez Hilary
Clinton. Its sad to uphold
wrong one night.
