Dear C-Span,

I just had to write & tell you that your new weekly call-in show on the Political Race (M 6:30P-3:30P-P.T.) is a fantastic!!! idea. I can tell you right now that it will be a major contributor toward the Presidential Election.

I only have two regrets, one; that every man woman & child in these United States will not see it, & two; that it took a war to make me aware of your stations. It's truly the only true news station.

Please never stop growing, this country needs you!

P.S. Hats off to WMUR, Cokie Roberts & the Democratic Debate in New Hampshire (for my impressions please turnover)

I like Pat Buchanan but when he said at X-Mas time "every homeless should be arrested" he proved he was a Republican, out of touch w/ the people yet aware of the problems intellectually only!

Blad, Hilde dropped out, even "Jessie" runs rings around him.

Kerrey's not strong enough & too "two faced"; leans on his writers too much.

Harkin I like BUT his big PAC money scares me - (Spencer Tracy "State of the Union" movie) he's not; unless you believe in fairy tales

Clinton was better in the beginning when he wasn't as polished. He showed fire in his belly; now, I'm afraid he's gone to bed w/ PACS also -

Tsongas - I'd like to read his "limited" book. He may be the most stable - but his dry mouth & voice drive me nuts!

Lastly "good old Jerry" He's the only one speaking the real truth - oook but the messenger

I'd say the heck w/ term limitation IF we could have a mandatory tax of \$100.⁰⁰ ^{MAX} from each & every tax payer to cover campaign finance from "dog catcher up to President & bump salaries up to \$200,000. Lets untie Congresses hands.

Thanks to C-Span, I've been able to learn there are some good men in Congress who want to do whats right.
