

5/6/92

I have just finished watching the
"Phil Donahue" taping of the conversation
between Brown + Clinton + would like to
thank you for presenting it: I find myself
turning to C-SPAN more & more in this
election year for deeper and more honest
coverage than I find elsewhere. This is
the first time I heard either of these men
sound like human beings, + I heard a
sigh of relief - at least temporarily - as they
addressed fundamental issues -
Yours truly [redacted]
