Dear Mr. Brian Lamb,

I wanted to drop you a note to advise you of a cable change scheduled to take effect on or about 15th. March.

US Cable (Coastal Properties) has decided to carry C-Span II from 6am-6pm, time sharing with The Learning Channel carrying the balance of time.

I called the local office, talked with the manager and gave my opinion. He advised me that C-Span I & II duplicated programming, which is ~~is~~ the case at times but not always the rule.

It is upsetting to me as I am usually awake

all night. At the present time it is the only channel that I can receive the military briefings without interruption at a time when I am wide awake not to mention "fighting" (He!) over who gets to watch this show vs. another.

I am working at trying to get both to remain on 24 hrs. a day.

I appreciate your programs and varied topics.

If it is at all possible I would like to know if a map booklet is in the works

giving the Sen. & Rep. names, phone numbers & committees. I've misplaced mine.

Sincerely,
