Dear Sir / Madam:

I am watching your series on the Presidents. I enjoy it very much. I must tape it because I am in school at the time it is aired. This presents a problem because it is impossible to find out the exact times.

The TV Guide and the N.Y. Daily News don't list C-Span programs. The N.Y. Times lists them but they have either the wrong titles or wrong times or both.

How does a person find out what is on
C-span and at what time? The only reason
I know about the Presidential Series is because
I read and fortunately saved the full page
advertisement in the March 12th New York Times.

When I mention to other people that I am watching
the series and how good it is, no one knows
what I am talking about. I suspect that there
are many people who would watch but don't
know about it.

Thank you.

Yours truly,
