Customer Service/Relations Department

We rely on C-SPAN for a great deal of our information. We thank you for the detail, the coverage, the public input.

Please accept a criticism. It seems to me that you are cutting off the public callers after the briefest or incomplete questions. Yet you let the "guests" ramble on and on without ever even answering the question. Senator Lando spoke on average 5 minutes for each 10 second question. I hope that you can equalize the sides more since we in the public feel cut out of government and of media.

Keep up the good work.

Sincerely,
