Dear CSPAN Program Planner

I saw on your CSPAN news channel that Ralph Nader is a candidate for President, representing the Green Party.

Why is it that there is no mention on your news channel (or any other news reports) that Lyndon H.

LeRouche, Jr. is also a candidate for the office of President? There was a conference held on Feb. 19 and 20 at the Hyatt, Reston, Va. There were a lot of people in attendance, but no mention of it ~~by~~ any news media.

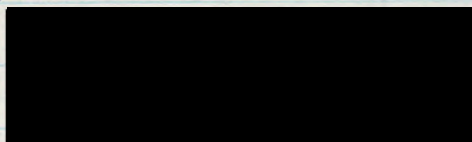

Since this is supposed to be a free country and with freedom of speech, the news media should let the public know what's going on, especially in Washington, D.C. I think that should be included in the news because it is news. People need to know that they have
(over)

a choice- especially when it comes
to election of a President.

A news blackout is not good for
anybody. Things in our country
are not going well and there has
to be a change.

Please include his campaign,
and also let him have time on
your channel like the others.
Bush and McCain are on your
schedule for this evening- It's
only fair that we see LaRouche
also.

Thank you.

P.S. At this very moment Brady and
Gore's debate is on this channel. (the
New-York debate). LaRouche is not
included.
