

Dear Brian:

9/17/93

Sorry I couldn't get thru this morning on your Journalist Interview.

1. A MID-EAST QUESTION: What will the "Peace" cost us taxpayers?
2. NAFTA TREATY Chapter 16 has provision for professionals (Doctors, Dentists, lawyers etc.) with complete reciprocity to practice in USA without regard to State Laws. Please correct Knight Ridder lady who said professionals ~~was~~ not covered in the Treaty.

Keep up the good work with your informative shows. It must be tough for you to find knowledgeable journalists on NAFTA when none have read the book.
