

P.P.S. I enjoyed the show with Both the
Hitchens Brothers - I could stand
an encore of them as well.

thank
you

Marge
Camille Paglia is ABSOLUTELY the BEST
guest I've ever seen on Wash. Journal.
Chris Hitchens is a close second - now, don't
you think it'd Be a BLAST to have them
on a show TOGETHER - for at least a couple
of hours? Please think ABOUT it and say
Yes!

I like your new format without the
"dueling politicians" so much better, and I
like the journalists on by themselves with
more time - two hours with Brian is the
perfect way to start a day (he IS A Lamb, more
ways than one). Well, thank you, and get to
work on Booking Camille + Chris ASAP! PLEASE.
(P.S. I'm a CONSERVATIVE - BUT I like those two)
