Brian: As usual, your
interview with Susan Schmidt
was so enthralling! I don't get
to read the Post but I do read the
NY Times & Newsweek & Time mag
but I learned (like you) so much
from her delivery... The reason I
(read) he wore that HAT! was he is Jewish
& it was a holiday in his religion...
He looked like a gangster, tho. I LOVE
your Sun nite interviews..
