Bruce Collins,
what I can't
understand is why
you constantly
challenged the
people who were
for Clinton's plan.

I still believe
there is a way that
you rig the
phone calls. They
are put on hold and
the operators certainly
speak with them.
I never can get in
to call along with many others.

Even putting your
Particular guests on-
Conservatives are
usually first and
last. You can
believe you always
have Conservative
Democrats - Aren't
there ever any
moderate or Liberal
Republicans?

Sad that in our
Country that the Republican
Party is ~~so~~ static and
homogeneous. Ours
is a diverse party
and it shows. Why
another reason why
the ^{WHITE} media resents Clinton,
He is changing the game -
