C Spain
Dear Mr. Brian Lamb..

I appreciated having had the opportunity of watching C Spain's presentation of the Republican National Convention -

I feel your presentation was in an unbiased form.

This week you have repeatedly gave time to Vietnam Resisted - also some time to the plight of the MIA's

Please, let me make this comment -

About 1962-1964 - I wrote Charles Percy and Adlai Stevenson as follows - are there still prisoners being held from the Korean War?

Charles Percy, Reply, I would
say was superficial —

Adlai Stevenson, Reply &
contained a letter from
the State Department —
"that was possible — there
was American prisoners being
held in Korea and China —"

& particularly enjoy
listening to your call in
programs and the guests
Responses. Thank you —
yours truly
